B&B UPDATE

Another fantastic month of basketball is in the books, and we couldn't be prouder of how our teams performed on the court and their continued skill development in practice! Over the past month, our program secured 13 championships and achieved numerous 2nd and 3rd place finishes. Our players keep improving week after week! We're thrilled with the dedication our players are showing in practice as their hard work continues to show in games!

We also want to give a major shoutout to all our coaches this season! You've been working incredibly hard, and we can't express enough how grateful we are to have you as part of the B&B program!

We're excited for a fun-filled July as most of our teams will be traveling out of state to compete against high-level competition!

Go Academy!
