B&B UPDATE

As we enter June, we are thrilled with our teams' performances over the past month! Both our girls and boys teams are playing at a high level and are continuously improving each week!

This month, most of our high school girls and boys players are participating with their respective high school teams. Remember, we still offer practice times for high school players who want to put in extra work. Check our website for the schedule!

For our younger teams, we are anticipating a competitive month of June! We're excited to be heading to Salt Lake City to face high-level competition this upcoming weekend!
